

## Build

a proposal team while gathering information from a variety of sources to compile key experience data, success stories & discriminating accomplishment

## Review

requests for EOs, RFQs and RFPs to develop a clear understanding of compliance issues & client needs to establish the required deliverables

## On Time

**Visualize** & articulate original, strategy-based, persuasive creative concepts

grounded in the understanding  
of how audience, context, media

& purpose

influence the creation of relevant content

## On Brand

**S**tellar interpersonal skills

energized by boundless curiosity & joy in learning  
with the ability to translate product-speak  
while thoughtfully provide & receive constructive feedback
