

STUDENT DESIGN COMPETITION

TAPPING THE FUTURE

Connections Café is about meeting with our colleagues in the design & construction community to discuss trends in the industry, share stories and make plans for the future

On May 20th
we will proudly introduce the top five winning teams of the
2015 CSC Student Design Competition

in celebration of the outstanding effort by all contestants & faculty
and
the empowering inspiration of community & creativity

Segments of the evening will be videotaped to share with friends of CSC across the country in recognition of the contributions of many supporters, especially our sponsors!

The award ceremony is scheduled to start at 7pm, and will be broadcast live thanks to technical support from the [Working Centre's Commons Studio](#)
Live stream coordinates at:
